2019-2020 Budget

Letter campaign - took in \$2,775 less than the year before. Talked about doing it online Rather than mailing it out - would save on postage. Need to determine if we are doing it again.

Pancake breakfast- didn't have so we had no revenue from it. Need to do it in 2020.

Banquet expenses: over budget by \$1400- maybe eliminate gifts in lieu of stipends.
Can we save money here by doing it somewhere else? Coach recommended a picnic type event.

Remember A&L for senior night and banquet. (cheap and good food)

Need drive line equipment (Coach)

Team meals- \$1,209 over budget- Over budget because had to get the hoagies twice due to rain outs. Subway \$6.50 per kid- hoagie, drink, chips, cookie and it gets delivered to the bus. (Staci) Wawa- \$3.89 per hoagie, water and chips donated. Ask the kids what sandwich they want for the season, or they can opt out of a sandwich if they won't eat it.

Team trip- a little over but not unreasonable.

Net- we spent 25% of capital reserve.

Capital ideas (Coach)

Church lane work- (not all done by Spring)

Need fence for behind home plate (concrete/poles/netting)

Move the backstop back - poles donated- LMYA will do brick, netting and backstop- need help to remove fence in front of dugouts. (\$1,500 needed from Booster club)
Reuse some of the fence. Line item voted on - unanimously approved.

Fencing down left field line- move out- and add seating on left field fence.
Scoreboard/Signage - need to look into permanent or temporary banner. Could come up with a donor for this. (JEN)

** Need a parent or someone other than a player to keep score

Snack bar- need to keep going - maybe a tent/table- food truck to come? Outlets in the monster storage truck.

Golf Tournament Recap:
